And that.His spies had been coming to him for a year or more muttering about a secret insurgency all across his realm, rebellious groups of sorcerers that called themselves the Hand. Eager to find his enemy, he had one such group investigated. They turned out to be a lot of old women, midwives, carpenters, a ditchdigger, a tinsmith's prentice, a couple of little boys. Humiliated and enraged, Early had them put to death along with the man who reported them to him. It was a public execution, in Losen's name, for the crime of conspiracy against the King. There had perhaps not been enough of that kind of intimidation lately. But it went against his grain. He didn't like to make a public spectacle of fools who had tricked him into fearing them. He would rather have dealt with them in his own way, in his own time. To be nourishing, fear must be immediate; he needed to see people afraid of him, hear their terror, smell it, taste it. But since he ruled in Losen's name, it was Losen who must be feared by the armies and the peoples, and he himself must keep in the background, making do with slaves and prentices..He traveled far in the Archipelago, even out into the East Reach. He never went to the same town or island twice without years between, letting his trail grow cold. Even so he began to be spoken of. The Child Taker, they called him, a dreaded sorcerer who carried children to his island in the icy north and there sucked their blood. In villages on Way and Feikway they still tell children about the Child Taker, as an encouragement to distrust strangers..The cowboys were discussing whether or not it was safe to eat the meat of a steer dead of the.But beyond the rich and the lordly were those called the Men of Power: the wizards. Their power, though little exercised, was absolute. In their hands lay the fate of the long-kingless kingdom of the Archipelago..There they fished for whales, as they still do. That was a trade he wanted no part of. Their ships.them, a flare of red flame in the dusk air, a gleam of red-gold scales, of vast wings - then that.behind it said, "Come in!".Trust," the young man said. "Yes. But against- Against them?- Gelluk's gone. Maybe Losen will.Of the four of them, only the Doorkeeper moved and spoke. He took a step forward, looking from one young man

to the next and the next. He said, "You trusted me, giving me your names. Will you trust me now?".Her eyes were shining and attentive..THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Palm its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all.
