They were wearing uniforms--U.S. Army uniforms. Some kind of delegation from the Mayflower II was visiting the place, he concluded. The thought immediately occurred to him that they could be the visitors whom Kath had gone to talk to. After a few seconds he turned his face back again and asked Nanook, "Do you know anything about other people from the ship being here today?". Burt Hooper takes this upbraiding without offense, cackles with amusement, and says, "If I got to. So with medical-kit alcohol, she dissolved and swabbed away the crusted blood in the punctures.
