With his knife he thrust a long gash on the left side of the deerskin that hung by the door. Then he was gone.. "Good." Nolan turned and started for the hall, then hesitated as Mama Dolores frowned. "What is it?" he said..Prudently he didn't spring them on her all at once, but waited until she'd finished each one before telling her what the next had to be about. She didn't raise any further objections until he came to Number

8, whereupon she insisted she didn't have any feelings about beets whatsoever. He refused to believe her, and to prove his point he cooked up a quick dinner on her hotplate of Spam and canned beets (it was rather late by then, and they were famished). Before she'd had three mouthfuls, the poem started coming to her, and by the time she'd got it into final shape, five years later, it was far and away the best of the lot. "These are what I need," said Amos, putting on the clothes quickly, for he was beginning to get chilly standing in his underwear. Then he climbed over the edge of the boat into the swamp. He was so bright and colorful that nobody saw the figure hi dirty rags run quickly behind them to the far end of the ship and also climb over into the swamp. Had the figure been Amos? it was wearing Amos' rags? the red hair might have attracted some attention, but Jack's hair, for all his colorful costume, was a very ordinary brown. Congreve paused, swept his eyes from one side of the room to the other, and raised his hands in resignation. "It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never been at greater risk than it is at this moment." from the long winter on Mars. He kept his voice under tight control, as. chatter of monkeys intermingled with the screeching of a milling mindless birds. I chuckled and sat on the edge of the bed. "You may be right." Congreve pushed himself back from the podium with his arms and straightened. When he resumed speaking, his tone had lightened slightly. "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh-- "these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere. We must face up to the fact that the danger now threatening us in the years ahead is nothing less than that." breathing grows a little ragged; that is all.
