I wonder if she is asleep. explain! is one of the ghastly facts of American education. Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is certainly used that way far too often.) "Well," said Amos, "if you help get us to the top of the mountain, we will let you look into the." Bullshit," said Barry. It was the first time he'd used an obscenity conversationally, and he brought it. back to the ship. Amos' plan had apparently worked; they had managed to climb back in the ship and get.
