Grace, of course, was a strong woman for whom faith was an armor against far worse than embarrassment. Celestina knew that Mom would suffer immeasurably more heartache by remaining in Oregon than what pain she might experience at her daughter's side, but Phimie was too young, too naive, and too frightened to grasp that in this matter, as in all others, her mother was a pillar, not a reed. Celestina expected to be taken to a waiting room, but instead the nun escorted her to surgical prep. In time, his hand tightened feebly on hers. And a while after that hopeful sign, his eyelids fluttered, opened. Junior's heart knocked so hard and fast that he wouldn't have been surprised if Vanadium, at the far end of the room, had begun to tap his foot in time with it. He might suspect, but he couldn't know. He would but would be left with at least a shred of doubt about Junior's. "Well, the blood wasn't dark and acidic, so it didn't come from his stomach. It was bright and alkaline. It could have arisen in the esophagus, but most likely it's pharyngeal in origin." Scamp had fabulous legs, and her bralessness left no doubts about the lusciousness and authenticity of her chest, but after an hour of conversation about something or other, before suggesting that they leave together, Junior maneuvered her into a reasonably private corner and discreetly put a hand up her skirt, just to confirm that his gender suspicions were correct. "Not really. I love you, Mommy." He yawned and dropped into sleep with a quickness that always amazed her. And then everything changed in one stunning moment. Changed profoundly and forever. Above the wainscoting, the walls were Sheetrock, unlike the plaster elsewhere in the apartment. On one of them, Enoch Cain had scrawled Bartholomew three times. He knew the titles that he wanted: "Tunnel in the Sky, Between Planets, Starman Jones." Scowling, Joey stared at the floor in puzzlement, shifted his weight from one foot to the other, sighed, turned his attention to the ceiling, and shifted his weight again, for all the world like a trained bear that couldn't quite remember how to perform its next trick. Clearly touched and intrigued, the magician nevertheless circled the offer in search of reasons to decline, before at last shaking his head sadly. "I doubt that I'm the caliber of person you're looking for, Mrs. Lampion. I wouldn't be entirely a credit to your project." "Agnes," said the magician, "you better start meeting with that librarian now to record your own life. If you don't get started for another forty years, by then you'll need a whole decade of talking to get it all down." When she was finished with the dishtowel, she returned to the dining room, and though dinner was underway, she called for another toast. Raising her glass, she said, "To Maria, who is more than my friend. My sister. I can't let you talk about what I've given you without telling your girls that you've given back more. You taught me that the world is as simple as sewing, that what seem to be the most terrible problems can be stitched up, repaired." She raised her glass slightly higher. "First chicken to be come with first egg inside already. God bless." He moved the shaker across the tablecloth, rocking it back and forth to convey that he was strolling without a care in the world. "I knew," said Wally, braking for a red traffic light, "that you'd be thinking of Phimie now, and thinking of her would lead you to your father's words, because as short as her life might have been, Phimie was a Bartholomew. She left her mark." So. Two monks they were: one in the service of everlasting light, the other in the service of eternal darkness. EDOM AND THE PIES, into the blue morning following the storm, had a schedule to keep and the hungry to satisfy. Kennedy, whose portraits hung side by side, the girl revealed to their mom and dad what had been done to her and also what, in her despair. The night of Barty's birth, when Joey actually lay dead in the pickup-bashed Pontiac, as a paramedic had rolled Agnes's gurney to the back door of the ambulance, she had seen her husband standing there, untouched by that rain as her son was untouched by this. But Joey-dry-in-the-storm had been a ghost or an illusion fostered by shock and loss of blood. .... That discord sets up lots of other vibrations, some of which will return to you in ways you might expect .... KATHLEEN IN THE candlelight, her ginger eyes a glimmer with images of the amber flame. Icy martinis, extra olives in a shallow white dish. Beyond the tableside window, the legendary bay glimmered, too, darker and colder than Kathleen's eyes, and not a fraction as deep. Find the father, kill the son. In just nine days, Junior bedded four beautiful women: one on Christmas Eve, the next on Christmas Night, the third on New Year's Eve, and the fourth on New Year's Day. For the first time in his life-and on all four occasions-his joy in the act was less than complete. Desperately trying to collect her wits, Agnes gazed out at the deluged graveyard, where the mournful trees and massed monuments were blurred by purling streams ceaselessly spilling down the windshield. There would be lots of aftermath with three at once, especially if he took them out with point-blank head shots, but Junior was pumped full of reliable antiemetics, antiarrhythmics, and antihistamines, so he felt adequately protected from his traitorous sensitive side. In fact, he wanted to see a significant quantity of aftermath this time, because it would be proof positive that the boy was dead and that all this torment had come at last to an end. unwittingly oversell any strong reaction, striking a false note and raising suspicions. "Hasn't the sheriff's department already reached a determination of accidental death?" Parkhurst asked. "They're good men, good cops, every last one of them," said Vanadiun, "and if they've got more pity in them than I do, that's a virtue, not a shortcoming. What could Mr. Cain have taken to make himself vomit?" Agnes discovered that watching her child be totally consumed by a new enthusiasm was an unparalleled delight. Through Barty, she had a tantalizing sense of what her own childhood might have been like if her father had allowed her to have one, and at times, listening to the boy exclaim about the space-faring Stone family or about the mysteries of Mars, she discovered that at least some part of a child still lived within her, untouched by either cruelty or time. Nolly shrugged. "He can't know for sure. And anyway, he didn't get the pushed idea until he'd already taken the case." Then he closed his eyes, held the revolver in both hands, and at point-blank range, he shot the dead woman twice. No one in Junior's circles seemed to care about the crisis in American music. He supposed he had a greater awareness of injustice than did most people. He fished the sound-suppressor from a jacket pocket, drew the pistol from his shoulder holster, and began to screw the former to the latter. He misthreaded it at first because his hands had begun to shake. "It's a boy," Joey assured her, as though he had been given a vision. Thick blood sluiced across his lower lip, down his chin, bright arterial blood. "Baby, no," she pleaded. From her reading, she knew that amniotic fluid should be clear. A few traces of blood in it should not necessarily be alarming, but here were more than traces. Here were thick red-black streams. She was a duplicitous bitch, too. After coming on to him, after teasing a reaction out of him, she had run off and gossiped about him as though he had instigated the seduction. Worse, to make herself feel important, she had told the police her skewed version, surely with much colorful embellishment. Shuddering with dread, he placed one hand against the door and slowly pushed it open. He did wonder why he had chosen this night of all nights to

become even a more fearless adventurer, rather than a month ago or a month hence. Instinct told him that he'd felt the need to test himself, that a crisis was fast approaching, and that to be ready for it, he must be confident that he could do what had to be done when the crunch came. Slipping into sleep, Junior suspected that Prosser might have been less lark than preparation..Many nights, his sleep wasn't half as restful as he would have wished, for he often dreamed of walking in a wasteland. Sometimes, desert salt flats stretched in all directions, with here and there a monument of weather-gnarled rock, all baking under a merciless sun. Sometimes, the salt was snow, and the monuments of rock were ridges of ice, revealed in the hard glare of a cold sun. Regardless of the landscape, he walked slowly, though he had the desire and the energy to proceed faster. His frustration built until it was so intolerable that he woke, kicking in the tangled sheets, restless and edgy..On other nights, she had overheard this and been touched. On this Christmas Eve, however, it filled her with wonder and wondering, for she recalled their conversation earlier, at Joey's grave: "Well, we have earthquakes here," Jolene said, "but back east they have all those hurricanes." Candle flames blurred into bright smears, and the faces of her good parents shimmered like the half-seen countenances of angels in dreams..Somewhere, he does. Daddy died here, but he didn't die every place I am. it's lonely for me here, but not lonely for me everywhere.."But what made you choose that life? You must have committed to the seminary awfully young." "Why? What was he going to get out of it?". To Nolly, Kathleen said, "This is why I married you. To be around talk like this."..A sudden strange weakness, a formless dread, dropped Agnes out of her crouch and onto her knees beside the boy..Strangely, as sometimes happened in this room, his missing toe itched. There was no point in removing his shoe and sock to scratch the stump, because that would provide no relief. Curiously, the itch was in the phantom toe itself, where it could never be scratched..While waiting for inspiration to present him with a better strategy, Junior returned to the telephone book in search of the right Bartholomew. Not the directory for Spruce Hills and the surrounding county, but the one for San Francisco.."If her blood pressure stabilizes through the night," Dr. Daines continued, "I want her to undergo a cesarean at seven in the morning. The danger of eclampsia passes entirely after birth. I'd like to refer Phimie to Dr. Aaron Kaltenbach. He's a superb obstetrician."..Sudden rain spared her the need to finish the sentence. A few fat drops drew both their faces to the sky, and even as they rose to their feet, this brief light paradiddle of sprinkles gave way to a serious drumming..ready to hear me. However long you need. But something ... something extraordinary happened here before you arrived."..Everything was proceeding precisely as Junior had envisioned in the instant when Naomi had first discovered the rotten section of railing and had nearly fallen without assistance. The entire plan had come to him, wholly formed, in a blink, and during the following two circuits of the observation deck, he had mulled it over, seeking flaws but finding none..For just one hour, which was not too taxing, he walked in the idea of a world where he had healthy eyes, and shared the vision of other Barty's in other places, so he would be able to see his bride as she walked down the aisle and as, beside him, she took their vows with him, and as she held out her hand to receive the ring.."Me, me," Celestina said. "In fact, fianc?es should come first."..Blood tests should reveal whether the child's yours or not. That also might explain all this."..He also sought a supplier of high-quality counterfeit ID. This proved easier than he anticipated..No weekend had ever passed so quickly, and no midnight had ever brought with it such dread..Leaning forward from his armchair, white hair as radiant as the wings of cherubim, Obadiah waved one misshapen hand over the deck, never closer than ten inches to the cards. "Now please spread them out in a fan on the table, facedown."..During the ten days since Joey's passing, a great many people had conveyed their condolences to Agnes, but until this man, she'd known all of them..Tom Vanadium was too unnerved by the Cain scare to be interested in the newspaper anymore. The strong black coffee, superb before, tasted bitter now..Hound meant well in sending the young man to Samory, but he did not understand the quality of Otter's will. Nor did Otter himself. He was too used to obeying others to see that in fact he had always followed his own bent, and too young to believe that anything he did could kill him..The symptoms that terrified Phimie-the headache, crippling abdominal pain, dizziness, vision problems-had entirely relented. Possibly they had been more psychological than physical in nature.."You did just fine, Tom, just fine," Agnes said in a consoling tone that she might have used with a boy whose performance, at a piano recital, had been earnest but undistinguished. "We were all quite impressed."..Monitoring Barty from the corner of -her eye, Agnes paced herself to the strides of his short legs, so she was drenched and chilled when she reached the station wagon..Beautiful she was, both of face and form, even with her mouth gaping wide and her eyes rolled back in her skull. How bright her future might have been if she had not chosen to deceive. A tease was, in essence, a deceiver-promising what she never intended to deliver..Gradually, Agnes realized that this was not a prayer for the soul of a deceased infant but for the survival of one still alive..squint-eyed, sharp-faced night clerk must not have been the owner, because he wasn't the type to have dreamed up cute spellings for the sign out front. Judging by his appearance and attitude, he was a former Nazi death-camp commandant who fled Brazil one step ahead of the Israeli secret service and was now hiding out in Oregon.
