Instead, they shook. Her grip was firm..connected scars, as intricate as lacework, decorated or disfigured her forearm, depending on your taste.It was believed virtual particles were virtual because the conditions of the present universe could not supply the energy necessary to sustain tweeplets. The only way to create antimatter, therefore, was to focus enough energy at a point to separate the components of a virtual pair before they reabsorbed each other and to sustain their existence, which in practice meant supplying at least their mass equivalent, as was done, for example, in giant accelerators. This was the reason for the widespread skepticism that any net energy gain could ever be realized from annihilating the antimatter later. At best it was felt to be an elaborate storage battery, and not a very efficient one at that; the power poured into the accelerator would be better applied directly to whatever the antimatter was wanted for.. "It came in about fifteen minutes ago," the waiter said. He shook his head sadly. "Bad news. There's been a shooting down there . . . in Franklin somewhere. "WE'LL TAKE CARE of that." Colman turned his head and called in a louder voice, "Stanislau, Young-come over here and give me a hand with this crate." Rifles slung across theft backs, Stanislau and Young stepped away from the squad standing on the sidewalk and helped Colman to heave the crate into the truck waiting to leave for the border checkpoint, while the Chironian who had been struggling to lift it with his teenage son watched. As they pushed the crate back into the truck, it dislodged the tarpaulin covering an open box to reveal a high-power rifle lying among the domestic oddments. The Chironian saw it and lifted his head to look at Colman curiously. Colman threw the tarp back over the box and tuned away..Ridiculous. They aren't the type to play games. "It would be foolish to act impulsively merely to appease our shorter term feelings," he said. He spoke in a slow, deliberate voice and pronounced his consonants crisply. "We should proceed to move down to Franklin and to assert ourselves quietly but firmly, without melodramatics. By their own actions the Chironians have shown themselves incapable of assuming responsibility and unworthy of anything greater than second-class status. Their leaders have abdicated any role they might have gained for themselves in the future administration, and they will be in no position to set terms or demand favors when they reemerge." He paused, and then turned his eyes to Howard Kalens. "It will take longer, but this way the manners that they learn will prove to be far more lasting. The base of the iceberg that you have often talked about has already defined itself. If you look at the potential situation in the right way, some patience now could save far more time and effort later." .Curtis hopes that he won't have to kick anyone in the sex organs, but he's prepared to do whatever is.
