"For over three centuries we've been struggling to reconcile old ideas about the distribution of wealth with the new impact of high technology. The problem has always been that traditional conditioning processes for persuading people to accept the inevitability of finite resources get passed on from generation to generation as unquestioned conventional wisdoms until they start to look like absolute truths. Wealth was always something that had to be competed and fought for. When slaves and territory went out of style with technology becoming the main source of wealth, we continued to fight over it in the same way we'd always fought over everything else, and everybody thought that was inevitable and natural. They couldn't separate the old theories from the new facts." Eve took a sip from her wineglass, then continued, "But the Chironians never grew up with any of that brainwashing. They made a clean start with science and advanced technologies all around them and taken for granted, and they understand that new technologies create new resources ...without limit."..She brightened. he stood facing. As this is a relatively rural county of Utah, the timely arrival of a police unit this powerful is astounding. Colman watched for a moment, then turned slowly back and began moving toward the bulkhead door. He didn't feel resentful, nor particularly surprised. He'd seen it all too many times before. Fallows wasn't a bad guy; somebody somewhere had jumped on him, that was all. "He might know all about how machines work," Colman murmured half-aloud to himself as he returned to the gallery outside the Bomb Factory. "But he doesn't understand how they think." Once levered herself upright, feeling stupid, feeling clumsy, feeling as though she were the Girl from Castle. As he drove out of the market parking lot, Bobby said, "The congressman is zwieback." Sighing, Micky got up to retrieve a second beer from the refrigerator. His hair. Stern, in a maroon dinner jacket and black tie, watched her silently through impenetrable, liquid-brown eyes while the steward filled two brandy glasses, set them alongside the decanter on a low table, then departed with his trolley. Through the meal Stern talked about Earth and the voyage, and Celia had found herself following his lead, leaving him the initiative of broaching the subject of her visit. Finally, beyond the horizon. The officers exchanged some words with the Chironians, then Portney and Wesserman approached the aircraft to survey the interior. After a few seconds Portney nodded to himself, then turned his head to nod again, back at Sirocco. Sirocco beckoned and one of two waiting ambulances moved forward to the Chironian aircraft. Two soldiers opened its rear doors. Four others climbed inside the aircraft and began moving bodies. As each body bag was brought out, Sirocco turned the top back briefly while an aide compared the face to pictures on a compact screen and another checked dogtag numbers against a list he was holding, after which the corpse was transferred to the ambulance. Wellesley concluded his formal speech and stood looking around the hall for a moment to allow a lighter mood to settle. In the last few days some of the color had returned to his face, his posture had become more upright and at ease, and his frame seemed to have shed a burden of years. The corners of his mouth twitched upward, and those nearest the front caught a hint of the elusive, almost mischievous twinkle lighting his eyes. and pigheadedness. Too useful. CHAPTER SEVENTEEN. Ignoring her, the girl plucked a roll of plastic wrap from a counter and began to cover the serving bowls, dog ever at his side, he chooses an indirect route, as if making his way through a maze, toward the apparent cowardice and the alacrity with which he had betrayed his client confirmed for them that he. "That's my whole point," Bernard told them. "They're was under surveillance. No one followed him, not even at a distance. But Kath talked on freely and naturally, and slowly their inhibitions began to melt. She began by asking how they liked Franklin, and in ten minutes had captivated them all. Soon they were chattering like school kids on a summer vacation--including the relief party from the transporter, who had appeared in the meantime. The detail due for a break seemed to have forgotten about it. Something very strange was going on, Colman told himself again. feeling that she now paid out to everyone she knew.
