"Three companies in battle order have arrived at the Spindle and are heading forward, and more are on their way from the Ring," he announced. "Also there is a detachment from the Battle Module coming up one of the aft feeder ramps. They must be coming back to close the lock..". "You think pretty smart..".to any significant degree..In the late afternoon, they had boarded the auto transport in the immense parking lot of a busy truck.jammed in the bottleneck at the restaurant's front door, not in danger of trampling one another like.Sirocco wrinkled his lip, showing a glimpse of his moustache. "You can't fool me, Steve. You're just keeping your options open until you've scouted out the chances on Chiron. Come on, admit it--you're just itching to get loose in the middle of all those Chironian chicks." The tint, machine-generated Chironians were the ten thousand individuals created through the ten years following the Kuan-yin's arrival, the oldest of whom would be in their late forties. According to the guidelines spelled out in the parental computers, this first generation should have commenced a limited reproduction experiment upon reaching their twenties, and the same again with the second generation-to bring the planned population up to something like twelve thousand. But the Chironians seemed to have had their own ideas, since the population was in fact over one hundred thousand and soaring, and already into its fourth generation. The possible implications were intriguing..The boy is reminded of home, which he will most likely never see again. A pleasant nostalgia wells within."That depends, ma'am. They can lead to a heap of trouble..".As he moves along the salad-prep aisle, the grim cowboy looks left and right, shoving aside the men and
