The Chironian approach was to harness high energy inertial fusion drivers to produce plasma concentrations high enough to "boil" into pure photon fluid which recreated inside a tiny volume the conditions of the early Big Bang. Within this region, space and time recoupled and contracted inward with the imploding core to simulate for an instant the bizarre, inverted conditions of an antiuniverse, and in that instant a large portion of the tweedles liberated in the process transformed into antitweedles which, under the prevailing high-energy conditions, combined preferentially into antiquarks and antileptons rather than radiation. Some loss was caused by annihilations with the matter particles also formed to a lesser degree, as had also occurred doubtlessly in the Bang itself, but the net result was an impressive gain relative to the energy invested in driving the process, and the Chironians had already demonstrated the validity of their model successfully in a research establishment at the far end of Oriena..Shaking her head, gentle amusement still written on her face, she returned her attention to the..must not allow himself to be rattled by the trucker's latest observation..might earn a transfer to the psychiatric ward.."lie's hysterical." That's the one you're with, isn't it?".For the first time a hint of anger flashed across Sterm's face. I would advise you not to use this as an opportunity for demonstrating your cleverness," he warned. He allowed himself a moment to calm down. Then he resumed speaking more slowly. "Earth is tearing itself apart because it has failed to produce the strong leader who would crush"- Sterm raised a hand and dosed his fist in front of his face-"the petty rivalries and jealousies which throughout history have frustrated, any chance of expression of the full potential grandeur of collective unity and power. Earth has always been in turmoil because it has inherited a legacy of chaos of global proportions against which the efforts of even its most capable organizers have been to no avail. Is that the future that you would wish upon Chiron?".I have. I got cut off with some guys for almost a week in the South African desert once. All you think about is water. You can't describe the craving. You'd cut off your arm for a cup." He paused, and Jay waited with a puzzled expression on his face. "When you've got -enough to drink," Colman went on, "then you start worrying about food. That takes longer to build up, but it gets as bad. Wellesley frowned and nibbled off a piece of the toast..society whose natures would keep them hanging on to the end regardless. Above all there remained Borftein, who had nowhere else? to attach a loyalty that his life had made compulsive. Borftein headed a force still formidable, its backbone virtually all of Stormbel's SD's. Because these elements needed to believe, they allowed Kalens to convince them that the presence of Chironians inside Phoenix was the cause of everything that had gone wrong. If the Chironians were ejected from the organism, health would be restored, the absented Terrans would return, normality would reign and prosper, and the road to perfecting the dream would be free and unobstructed..in museums. Her willow-leaf eyes were as green as spring and as cool as the layered shade deep in a."What?" Colman asked him..that hope, that love and goodness?it's still inside you. No one can take the gifts God gave you. Only."Have you seen the news this evening?" Jean asked. "Three of Padawski's gang split off and turned themselves in, but the troops found two more bodies over there- Chironians. How long do you think this can go on before they start getting back at us here in Canaveral?".Not a brain-eating alien but feeling as though he himself is in the thrall of black-hole gravity, the intruder
