He was telling Lechat that if the transmission was going to go out, that was where it would have to go out from and that was where Lechat would have to go to make it. But more to the point, as Lechat well knew, Bernard was saying that Celia would have to go there too; what she had to say couldn't come second-hand through anybody else.."I'd love a piece, thanks," Leilani said..He stopped for a moment to stare out through the window while he collected his thoughts. Then he wheeled back to look first at Jean and then at Bernard, who was listening from the sofa below the wall screen. "Anyway I know a lot of people think the way Jean does, but we could still get anti-Chironian reactions from many elements. That's what worries me. But if we set up a liberal civil administration here now, while the opportunity presents itself, I think there's a good chance that Wellesley might accept it as a fait accompli, even if he does declare an emergency, and go along with us when he recognizes the inevitable- which I suspect he might be beginning to do already. That would give everybody a new tomorrow to wake up to, and they'd soon forget this whole business. But there isn't much time. That's why I skipped the meeting. Now you two can help, pretty much in the ways we've discussed. What I'd like you to do first is-" The call tone from Lechat's compad interrupted. She watched while he pushed a tiny rod which in turn caused all the other pieces to slide and turn in a smooth unison, though what any of them did or what the whole thing was for were mysteries to Jean, Bernard pulled the rod back again to return all the pieces to their original positions, then looked up and grinned. "I have to take my hat off to Army training," he said. "I'll say one thing for Steve Colman-he sure knows what he's doing. Our son has produced some first-class work here." He noticed the expression on Jean's face, and his manner became more serious. "Aw, try and snap out of it hon. I know everything's a bit strange. What else can you expect after twenty years? "Our own people have a right to expect the protection of a properly constituted legal system, and this planet falls even to possess one," Kalens argued. "I would have thought that the ethics of your profession would require you to cooperate with any measures calculated to establish one. The purpose of this provision is precisely that." Returning the untouched forkful of pasta salad to her plate, Leilani looked to Micky for an explanation...Padawski and his followers had somehow shown up on the far side of the Medichionian, which was only sparsely settled, and seemed to be settling in as bandits in the hills. What a bandit would hope to achieve on a world like Chiron was hard to see, but revenge against Chironians seemed to have a lot to do with it; two isolated homes had been invaded, ransacked, and looted, in the course of which five Chironians and one soldier had been killed, Three Chironians, including a fifteen-year-old girl, had been raped. The Army was scouring the area from the air and with search parties on foot, but so far without success --the renegades were well trained in the arts of concealment. Satellites were of limited use if they didn't know exactly where to look, especially where rough terrain was involved.. "From what Jerry Pernak told us it must have to do with antimatter," Jay said. "The Chironians are into a whole new world of particle theory. That means they can produce lots of antimatter economically. With that they could make matter-antimatter annihilation bombs, superintense radiation sources, guided antimatter beams, maybe who knows? But it has to be something like that." terror, wails of anguish. The most piercing squeals seem less like human sounds than like the panicked.
